Installation guide for students

Endnote is downloaded from a closed server and therefore you have to use your KADK credentials during the process. Use only your initials – not your email. You also have to be logged on to the “KADK-mobile” wifi and close your Microsoft Word and Pages-program.

MAC

Press cmd+k. Box pops up. Copy/paste this (without the ' signs):
'smb://hlmn.dk/COMMON/EDU/SW-Students/Endnote/Mac'

Press enter Approve with KADK credentials. Use only your initials – not your email.

Windows

Press Windows button+R. Copy/paste this (without the ' signs):
'\hlmn.dk\COMMON\EDU\SW-Students\Endnote\Windows'

Press enter
